HEALTH AND HUMAN RESOURCES

HHR Health Care Package

- Amendments to HB 5001 and HB 5002 increase health care coverage to uninsured Virginians with incomes up to 138% of the federal poverty level pursuant to the Affordable Care Act (ACA)
- Language creates a “dual track” for transformation and key reforms through section 1115 demonstration waiver
 - Within 45 days after passage, Virginia will submit State Plan Amendment application & submit a concept paper to CMS for §1115 demonstration waiver
 - Within 180 days after passage, Virginia will submit completed §1115 waiver application for reforms
- HB 5001 provides \$3.5 million GF and federal Medicaid matching funds to procure expert(s) to assist with the development and implementation of the waiver application and related activities to prepare the agency for federal approval
- HB 5002 provides \$6.6 million GF in FY 2019 and \$18.9 million GF in FY 2020 to support the Training, Education, Employment and Opportunity Program (TEEOP) for Medicaid enrollees

Medicaid Waiver Provisions

- **Coverage:** Adults ages 18-64 with incomes up to 138% of poverty, estimated at 300,000
- **Delivery System:** Medicaid Managed care plans or employer sponsored plans, if cost effective
- **Benefits:** ACA essential health benefits, Medicaid mental health and addiction recovery and treatment services. Supportive employment and housing services for certain high risk individuals in future
- **Premiums:** Requires those with incomes between 100 and 133% of poverty to pay monthly premiums, not to exceed 2% of monthly income nor less than \$1 per month
 - Failure to pay premiums or maintain continuous coverage results in a “lock-out” period
 - Coverage effective the first of the month following receipt of premium payment
- **Health & Wellness Accounts:** Premiums deposited into a personal contribution account that can be used to cover out-of-pocket expenses for any deductible amounts; can roll over into next year if not used
- **Co-payments:** Required for those between 100 and 138% of poverty, to promote healthy behaviors and encourage personal responsibility; for those up to 100% of poverty, copays are subject to existing Medicaid requirements
- **Training, Education, Employment & Opportunity Program (TEEOP) Requirements:** Targeted at able-bodied adults ages 18 to 65
 - Participation hours increase from 20 to 80 hours per month after initial 3-month grace period
 - Exemptions for children, pregnant women, aged, disabled and seriously mentally ill, caregivers of disabled dependents, and individuals working in TANF VIEW program or SNAP
 - Allows for participation through a broad range of training, education, employment and community work or engagement which improves work readiness
 - Work waived in areas of high unemployment (150% of statewide unemployment rate)
 - Lock-out” period if individual fails to comply any 3 months out of a year from the time of enrollment
- Provisions to disenroll if federal funding is reduced or terminated

Medicaid Coverage Amendments

- Cost of enhanced coverage is estimated at \$80.8 million GF in FY 2019 and \$226.1 million GF in FY 2020
 - Costs covered by a provider “coverage” assessment on private acute care hospitals
 - Language in Central Accounts provides DMAS with authority to impose the assessment through a formula that is roughly equal to 0.5% of net patient revenue in FY 2019 and 1.4% in FY 2020
 - Revenue would be deposited into a “lock box” in a special non-reverting fund; cannot be used for other purposes
- Total savings for state programs are projected to be \$101.3 GF in FY 2019 and \$269.7 million in FY 2020 (includes programs outside HHR)
 - Savings based on the elimination of state general fund dollars for health care programs for individuals who will become eligible under enhanced eligibility (majority of savings comprised from existing DMAS programs)

 - Will work with the Broadband Advisory Council, Joint Commission on Technology and Science and the Virginia Growth & Opportunity Board (GO VA) to develop strategic plan that includes metrics and benchmarks to evaluate progress

AGRICULTURE AND NATURAL RESOURCES

HB 5002: Secretariat Agriculture and Forestry

- Amendments make only modest changes to the budget for the Secretariat of Agriculture and Forestry programs and include no major new initiatives
- Within VDACS, the budget includes:
 - \$156,395 GF and 2.00 FTE positions each year to support expanded industrial hemp research and establish a registration program pursuant to Chapters 689 and 690
 - \$125,000 GF each year for the Beehive Grant Fund which is revamped pursuant to the provisions of Chapter 192
- Within the Department of Forestry, the budget includes:
 - \$100,000 GF each year for the Virginia Natural Resources Leadership Institute
 - \$112,000 GF each year to fully match industry contributions to the Reforestation of Timberlands Program
 - \$236,000 GF the first year to match federal and private grants to produce containerized longleaf and loblolly pine seedlings

HB 5002: Natural Resources

- The amendment package for Natural Resources includes new GF spending of \$46.6 million in the first year and \$7.4 million in the second year
 - Also included are NGF increases of \$8.2 million in FY 2019 and \$7.6 million in FY 2020
- Land Conservation programs total \$1.25 million GF in the first year and \$5.75 million GF in the second year, distributed as follows:
 - Virginia Land Conservation Fund (DCR) - \$4.5 million the second year
 - Battlefields Preservation Fund (DHR) - \$1.0 million each year
 - Farmland Preservation (VDACS) - \$250,000 each year

Water Quality Improvement Programs

- The statutory deposit to the Water Quality Improvement Fund totals \$22.5 million GF the first year for allocation to nonpoint source programs
 - Also continues dedicating recordation fee revenues to the Natural Resources Commitment Fund totaling \$10.0 million NGF in each year
 - Package includes the establishment of an on-going funding source for the WQIF reserve and provides \$2.6 million each year from un-refunded marine fuels revenue for the WQIF Reserve
- Includes \$20.0 million general fund in the first year for the Stormwater Local Assistance Fund (SLAF)
- \$6.2 million GF each year is provided for Soil and Water Conservation Districts' administration and operational expenses, plus an additional \$1.2 million for technical assistance from the recordation tax fee
- Amendments add \$300,000 GF over the biennium to fund one additional engineer the first year, and two the second year to support projects of the Soil and Water Conservation Districts

DEQ and DCR

- At DEQ, \$500,000 for an environmental assessment of Buchanan Creek along the Lynnhaven River
 - An additional \$403,000 GF over the biennium is provided for the State of the River Scorecard to monitor the conditions of the Elizabeth River in VIMS
- State Park funding increases includes:
 - \$509,955 the first year, \$317,124 the second year and 3.00 nongeneral fund FTE positions are authorized for operating costs at Middle Peninsula State Park
 - \$965,310 the first year and \$590,944 the second year and 6 GF positions for operations at Widewater State Park
 - \$167,548 the first year and \$198,752 the second year and 2 GF positions for operations at Seven Bends State Park
- Also included in the package is \$319,200 GF for the W. E. Skelton Smith Mountain Lake wastewater system, and funding for specific dam repairs totaling \$532,500 GF
- Continued funding of \$500,000 GF each year is included for DCR Natural Area Preserves, \$200,000 GF each year for shoreline erosion, and \$464,294 GF each year for the Dam Safety Fund

Other Natural Resources Agencies

- Funding for Marine Resources Commission includes:
 - Increase of \$750,000 the first year and \$1.0 million the second year for oyster restoration and replenishment activities
 - \$160,000 for the Clontz public access boat ramp in Smithfield
 - \$400,000 over the biennium for costs associated with moving all MRC operations to Fort Monroe
- \$1.35 million each year is transferred from DGIF to Virginia Port Authority from sales tax revenues associated with waterway activities for small harbor dredging projects as provided in Chapter 642
- At Department of Historic Resources one position is provided for a new easement coordinator and funding is provided for a new project review archeologist
- Also funded are the costs associated with legislation adopted expanding the number of recognized historic African American cemeteries and Revolutionary War graves

TRANSPORTATION

HB 5002: Transportation

- The transportation package includes net increases of \$971.6 million NGF (15%) the first year and \$548.5 million NGF (9%) the second year
 - Allocation provides majority of the increased revenue to highway construction programs
- Major initiatives within the Secretariat focus on:
 - Funding staffing and system improvements necessary to comply with the federal REAL ID Act at DMV as well as providing on-going support to cover DMV's increased operating costs
 - Establishing more objective measures to allocate transit funds and investigating long-term solutions to transit capital needs
 - Expediting the dredging of the Norfolk Harbor and Elizabeth River channels to facilitate the continued competitiveness of the Virginia Ports

Department of Motor Vehicles

REAL ID Implementation

- Reflects a nongeneral fund increase of \$7.0 million the first year, \$11.6 million the second year and 42.00 FTE positions for the development and issuance of federal REAL ID Act compliant credentials
 - 15.00 FTE positions are included in HB 5001 as the department phases in the program and begins issuing voluntary compliant credentials on October 1, 2018
- Costs associated with the new credentials would be covered by a one-time \$10.00 charge for each compliant ID
- Language in both HB 5001 and 5002 authorizes a \$10.5 million line of credit to cover the upfront costs to be repaid by those choosing to purchase compliant credentials
- Amendments require quarterly reports to the General Assembly on the progress of the project's implementation, any proposed drawdowns from the line of credit, the number of positions hired, and credentials issued

Department of Motor Vehicles

Funding Stabilization

- As a wholly nongeneral funded agency, the Department of Motor Vehicles must absorb the increased costs of any increases in salaries and benefits, healthcare and VITA costs within its existing revenue stream
- Over the last 10 years, mandatory expenditures have increased by \$88.3 million and while assistance has been given to the department, additional revenues have been fully subsumed by cost increases
- The amendment package includes an increase in the title fee of \$5.00, generating \$13.0 million annually for DMV
 - The fee has not been adjusted since 1982, and even with the increase to \$15.00, would be well below inflation
 - For comparative purposes, Maryland charges \$100.00, North Carolina \$52.00, and the District of Columbia \$26.00

Department of Rail and Public Transportation

- Eliminates a proposal to provide \$110.0 million of Commonwealth Transportation Capital Projects Revenue bonds in FY 2020 to support statewide transit capital needs
 - The proposed five years of bonds would have consumed almost 20% of state's outstanding debt capacity through FY 2024
 - Use of long term debt for vehicles with approximately 10-year life cycles is not best method
 - Includes language creating a workgroup to examine how to establish a Master Equipment Lease Program for group purchase of transit vehicles as an alternative – would lead to a revolving fund once established
- Sets out separate allocation for WMATA to provide certainty to other transit properties across the Commonwealth that requests from one large agency do not lead to fluctuations in funding available for the rest of the state

Virginia Ports Authority

- Provides a total of \$350.0 million in cash and bond authorization to advance the planning and preliminary engineering requirements for widening and dredging of the Norfolk Harbor Channel to 55 feet and dredging the Southern Branch of the Elizabeth River to 45 feet and fully funds the total state share of the projects
 - \$20.0 million in bond proceeds are provided for transportation capital projects at VDOT in FY 2019 and a like amount of Commonwealth Transportation Funds are transferred to the Virginia Port Authority to immediately proceed with PE and design
 - Authorizes \$330.0 million in debt for remaining phases of the project
- \$2.0 million from the Commonwealth Opportunity Fund each year is made available for the Port of Virginia Economic Development Zone Grant Program
- Appropriates an additional \$1.7 million the first year and \$2.3 million the second year of nongeneral funds to support 21.00 additional FTE positions
- \$37.0 million the first year and \$30.0 million the second year is provided from terminal revenues to support equipment required for the increased container volumes and operational changes planned at the expanded APM terminal

PUBLIC SAFETY

Department of Corrections

- Provides \$3.0 million GF the second year for additional base operating support in order to reduce the number of vacancies needed to meet the Department's operating expenses
- Includes \$2.9 million over the biennium and 36 positions to establish specialized mental health units to treat inmates with serious mental illness
- Includes \$2.7 million GF over the biennium for 35 additional probation and parole officers to address increased caseloads

State Police

- Includes \$1.7 million GF the first year and \$1.1 million GF the second year and 10 positions to establish an additional tactical team in the Special Operations Division
- Provides \$1.9 million GF over the biennium to implement and operate an electronic summons system in Division 7
- Includes \$1.9 million GF the second year for the purchase of two replacement helicopters through the Master Equipment Lease Program
- Includes \$340,000 GF each year to support operations of the COMLINC system
- Provides \$103,000 GF each year for a full-time aviation mechanic in the 4th Division
- Removes \$915,000 GF over the biennium and 7.0 positions included in the introduced budget for universal background checks for firearms purchases

Other Public Safety Agencies

Secretary of Public Safety & Homeland Security

- Provides \$150,000 GF the first year to evaluate necessary improvements to COMLINC, and report recommendations to the General Assembly by November 1, 2018
- Includes \$500,000 GF each year to match anticipated federal funding for U.S. Army Corps of Engineers Study of flood control in the Hampton Roads and Northern Neck regions

Department of Criminal Justice Services

- Includes \$6.6 million GF the first year and \$13.8 million GF the second year for additional aid to localities with police departments (HB599)
