Report of the House Appropriations Subcommittee on Health & Human Resources

House Bill 29 & House Bill 30

February 16, 2020
REPORT OF THE SUBCOMMITTEE
on
HEALTH & HUMAN RESOURCES

Mr. Chairman and Members of the Committee:

I am happy to stand before you today with the report of the Health and Human Resources Subcommittee. I believe we have a great budget that addresses the critical needs of our most vulnerable citizens. Our actions ensure that individuals have access to needed health care and disability services. They also support individuals providing care and services to those in need. We are also recommending the adoption of budget actions to address long-standing health inequities. All told, the Subcommittee is recommending the appropriation of almost $1.2 billion in additional general fund spending over this biennium, which is about $40 million more than the introduced budget.

The Subcommittee is recommending almost $200 million in funds to ensure continued access to needed health care and disability services. While the Governor provided 1,135 additional Medicaid Developmental Disability Waiver slots, he did not adequately address community capacity. That capacity depends on an adequate array of service providers who can assist individuals in realizing their full potential. The Subcommittee is recommending more than $125 million in rate increases to maintain and build community capacity.

House Bill 395, which increases the minimum wage will result in the addition of another $130.1 million to increase Medicaid rates for personal care providers, who we rely on to provide community-based care in our Medicaid waiver programs. Finally, we are recommending $67.3 million over the biennium to support critical health care providers that care for our frail elderly and others.

We are also recommending funding for a number of successful anti-poverty initiatives using federal Temporary Assistance to Needy Families or TANF funding. One of the Subcommittee’s most significant recommendations is to increase the TANF standard of need used to determine eligibility. This standard has not been changed since the federal government adopted welfare reform in the mid 90s. Consequently, in today’s dollars, families have to be significantly poorer in order to qualify for assistance than they were 24 years ago. We believe this will help low-income families meet their basic needs and
enable them to take advantage of our employment and training programs so they can move toward self-sufficiency.

Despite our past efforts to divert and discharge individuals from our state hospitals, census pressure continues, as fewer private sector beds are available for individuals subject to a temporary detention order (TDO). We heard testimony that the state hospitals are consistently operating at close to 100 percent of capacity. The budget contains funding to incentivize private hospitals to care for more individuals subject to a TDO. Secondly, instead of continuing to build more “temporary” state bed capacity, the Subcommittee is recommending that the state use that funding to develop creative community solutions to serve these individuals.

To further these efforts, this budget provides much needed investments to build community capacity by including more than $56 million over the biennium to continue the implementation of STEP-VA outpatient services, veterans services, mobile crisis teams and peer support services. It also provides more than $55 million for discharge assistance plans to transition individuals from state mental health hospitals, permanent supportive housing and expanding options for acute inpatient care for children.

Finally, the Subcommittee is recommending the adoption of several budget items to address health inequities, including efforts to decrease maternal and infant mortality through better use of non-traditional providers, such as doulas and midwives. And, we are recommending the adoption of $12.8 million for home visiting services and $3.2 million to extend health coverage for new mothers.

Mr. Chairman, I want to take a moment to thank the members of the Subcommittee for their commitment to working on health and human services issues. The issues we face require difficult choices, which affect the lives of Virginia’s most vulnerable citizens. Mr. Chairman, I also want to thank you and the members of this Committee for your support of our efforts. I will now ask staff to take you through our detailed recommendations, and then I hope it will be your pleasure to adopt our Subcommittee report.
Respectfully Submitted by the House Appropriations Subcommittee on Health & Human Resources:

Mark D. Sickles, Chair

Betsy B. Carr

Paul E. Krizek

C.E. Hayes, Jr.

Jerrauld C. Jones

M. Kirkland Cox

C. Matthew Fariss

Emily M. Brewer

Committee Approved Amendments to House Bill 29, as Introduced

Item 281 #1h

Health and Human Resources
Secretary of Health and Human Resources

Language:
Page 96, strike lines 19 through 29 and insert:
"G. The Secretary of Health and Human Resources shall convene a workgroup to review and make recommendations regarding a community doula benefit for pregnant and postpartum women covered by Medicaid. The workgroup shall include representatives from the Department of Medical Assistance Services, the Virginia Department of Health, and the Department of Health Professions, as well as representatives from community doula practitioners and any other relevant stakeholders. The workgroup shall examine and report on (i) federal requirements and permissibility associated with providing a Medicaid community doula benefit and existing models for state implementation; (ii) a recommended approach for ensuring minimum qualifications and training among community doula practitioners; (iii) recommended reimbursement rates and types of community doula services to be covered; and (iv) estimated costs and potential savings to the state over the next six years. The workgroup's recommendations shall address certification, workforce assessment, appropriate data and reporting needs, contracting considerations, and project implementation planning. As part of its review, the workgroup shall conduct a rate study to determine appropriate reimbursement rates for certified doula services for pregnant persons, and shall report its rate study findings to the Chairs of the Senate Education and Health and House Welfare and Institutions Committees by September 1, 2020. The workgroup shall report interim-findings and progress to the Governor and to the Chairs of the House Appropriations and Senate Finance and Appropriations Committees by December 31, 2020. The workgroup shall issue completed findings and recommendations to the Governor and to the Chairs of the House Appropriations and Senate Finance and Appropriations Committees by June 30, 2021.

Explanation:
(This amendment replaces language in the introduced budget which creates a workgroup in the Office of the Secretary of Health and Human Resources to review and make recommendations related to creating a community doula benefit for pregnant women in Medicaid. The revised language adds more specificity to the issues the workgroup will review, including a rate study which shall be reported to legislative committees by September 1, 2020, an interim report by December 31, 2020 and completed findings and recommendations by June 30, 2021.)

Authority: §§ 3.2-5206 through 3.2-5216, 32.1-11.3 through 32.1-23, 35.1-1 through 35.1-7, and 35.1-9 through 35.1-28, Code of Virginia.

A. The State Comptroller is hereby authorized to provide a line of credit of up to $200,000 to the Department of Health to cover the actual costs of expanding the availability of vital records through the Department of Motor Vehicles, to be repaid from administrative processing fees provided under Code of Virginia, § 32.1-273 until such time as the line of credit is repaid.

B. Out of this appropriation, $150,000 the first year and $150,000 the second year from the general fund shall be provided for agency costs related to onboarding to ConnectVirginia, transition costs to convert the agency's node on ConnectVirginia to the state agency node, and provide support to other state agencies in their onboarding efforts.

C. The Virginia Department of Health is authorized to develop a plan to allocate a reduction of $150,000 the first year and $150,000 the second year from the general fund across programs within the department to reflect administrative savings. The Department of Planning and Budget is authorized to make the necessary budget execution adjustments to transfer the funds between programs to implement the plan.

D.1. Out of this appropriation, $370,000 from the general fund and $3,330,000 from nongeneral funds is provided for the Virginia Department of Health to implement the requirements of
Committee Approved Amendments to House Bill 29, as Introduced

House Bill 2209 and Senate Bill 1561 (2017 Session). The department shall contract or amend an existing contract with a non-profit entity as necessary in order to do so. The department shall require its contractor to establish a separate and distinct Emergency Department Care Coordination Advisory Council (ED Council) to whom responsibility for implementing this program shall be delegated under the department's supervision. The contractor may utilize an existing governance, legal and trust framework in order to fulfill the requirements of House Bill 2209 and Senate Bill 1561 and to expedite the implementation of the program.

2. The ED Council, under the department's governance and direction shall: (i) specify the necessary functionalities to meet the needs of all key stakeholders; (ii) develop and oversee a competitive selection process for a vendor or vendors that will provide a single, statewide technology solution to fulfill the required functionalities and advance the goals of the initiative; and (iii) select and oversee the implementation of successful information technologies, with implementation no later than June 30, 2018. The ED Council shall include three representatives from the Commonwealth appointed by the Secretary, including the department, the Department of Medical Assistance Services, and the Department of Health Professions; three representatives from hospitals and health systems, nominated by the Virginia Hospital and Healthcare Association; three health plan representatives, nominated by the Virginia Association of Health Plans; and six physician representatives, nominated by the Medical Society of Virginia with representation from the Virginia College of Emergency Physicians, the Virginia Academy of Family Physicians and the Virginia Chapter, American Academy of Pediatrics.

3. The department shall coordinate with the Department of Medical Assistance Services to seek federal Health Information Technology for Economic and Clinical Health (HITECH) Act matching funds. The department shall coordinate with the Department of Medical Assistance Services to seek any additional eligible federal matching funds supporting provider electronic health record implementation and integration in order to implement the program. The department may use up to $100,000 for administrative costs.

4. The implementation of this initiative is contingent upon the receipt of federal HITECH Act funds, and neither the department nor its contractor shall be obligated to implement the program without HITECH Act matching funds. The appropriation in this paragraph is contingent upon the receipt of federal HITECH Act funds.

5. Effective July 1, 2017 or upon program implementation, all hospitals operating emergency departments in the Commonwealth and all Medicaid Managed Care contracted health plans shall participate in the program. Effective June 30, 2018, all hospital operating emergency departments in the Commonwealth, all Medicaid Managed Care contracted health plans, the State Employee Health Plan, all Medicare plans operating in the Commonwealth, and all commercial plans operating in the Commonwealth, excluding ERISA plans, shall participate in the program. The department, in coordination with the Department of Medical Assistance Services, shall determine the amount of federal funds available to support program operations in the second year. Accordingly, the department, in coordination with the Department of Medical Assistance Services and the ED Council, shall recommend, by December 15, 2017, a funding structure for program operations in fiscal year 2019 that apportions program costs across the
Committee Approved Amendments to House Bill 29, as Introduced

Commonwealth, participating hospitals, and participating health plans.

6. The department, in coordination with the ED Council, shall report annually beginning November 1, 2017 to the Secretary of Health and Human Resources and the Chairmen of the House Appropriations and the Senate Finance Committees on progress, including, but not limited to: (i) the participation rate of hospitals and health systems, physicians and subscribing health plans; (ii) strategies for sustaining the program and methods to continue to improve care coordination; and (iii) the impact on health care utilization and quality goals such as reducing the frequency of visits by high-volume Emergency Department utilizers and avoiding duplication of prescriptions, imaging, testing or other health care services.

E. The Virginia Department of Health shall assess the feasibility of developing a home visiting Pay for Success pilot program. The department shall develop a workgroup comprised of Virginia home visiting organizations and early childhood education organizations in examining this issue. The department shall determine if the recent provisions of the federal Bipartisan Budget Act of 2018 allow for the department to access federal funding to develop a pilot Pay for Success program for home visiting. The department shall report on the feasibility analysis, the availability of federal funding and the steps necessary to proceed with a pilot program, if feasible, to the Chairmen of the House Appropriations and Senate Finance Committees by December 1, 2018.

F. The Virginia Department of Health shall modify the Emergency Room Care Coordination Program to track individuals who present in the emergency room under an Emergency Custody Order (ECO). The program shall identify the legal disposition of individuals being evaluated for psychiatric hospitalization as Temporary Detention Order at the hospital, Temporary Detention Order at another Hospital, Voluntary Admission at the Hospital, or Voluntary Admission at Other Hospital, or released to the community. The department shall report the data monthly on its website by hospital and provide an annual report to the General Assembly for each fiscal year, no later than September 1, after the end of the fiscal year.

G. Out of the amounts in this Item, the department shall use $1,775,701 from indirect cost recoveries the second year to supplant general fund amounts for General Management and Direction."

Explanation:

(This amendment sets out Item 297 which was not set out in the introduced budget. It reduces the general fund by $1.8 million the second year and supplants it with funds from agency indirect cost recoveries. The only language added to this Item is paragraph G., which provides direction to the agency regarding this change.)

Language:

Page 163, line 43, strike "$122,904,570" and insert "$122,317,070".

Explanation:

(This amendment reduces funding in the Department of Social Services to begin replacing the Virginia case management system (VA-CMS) and other legacy systems with a modular enterprise platform solution. The VA-CMS was developed beginning in fiscal year 2013 after the 2012 General Assembly authorized funds to modernize the agency's eligibility processing information system for benefit programs.)

Item 481 #1h

Independent Agencies

State Corporation Commission

Language:

Page 211, strike lines 16 through 18 and insert:

"B. 1. The State Corporation Commission may use a portion of any unused funds appropriated for plan management functions in the second year to fund the initial start-up costs of the State Health Benefit Exchange.

2. Notwithstanding the provisions of § 4-3.02 of this act, the Secretary of Finance may authorize either a working capital advance or an interest-free treasury loan in an amount not to exceed $40,000,000 for the State Corporation Commission to fund start-up costs and other costs associated with the implementation of a State Health Benefit Exchange. The Secretary of Finance may extend the repayment plan for any such working capital advance or interest-free
Committee Approved Amendments to House Bill 29, as Introduced

treasury loan for a period longer than twelve months.

3. The State Corporation Commission may use a portion of the user fees collected from health insurance carriers participating in the State Health Benefit Exchange to repay the working capital advance or interest-free treasury loan authorized in B.2.

Explanation:
(This amendment revises language included in the introduced budget concerning the transition from a Federal Health Benefit Exchange to a State Health Benefit exchange. The revised language authorizes a working capital advance, or treasury loan, of up to $40.0 million to be repaid from retaining a portion of the user fees collected from health insurers who participate in the state exchange.)

Page 31, strike lines 10 through 23.
Page 31, line 24, strike “5” and insert “4”.
Page 31, strike lines 29 through 36.

Explanation:

(This amendment eliminates language and transfers $150,000 each year from the general fund to the Department of Behavioral Health and Developmental Services for substance use disorder treatment utilizing non-narcotic, long-acting, injectable prescription drug treatment regimens used in conjunction with drug treatment court programs. A companion amendment in Item 320 provides for this transfer.)

Item 291 #1h

Health and Human Resources

Secretary of Health and Human Resources

Language:

Page 274, after line 38, insert:
"E. The Secretary of Health and Human Resources shall convene a workgroup to review and make recommendations regarding a community doula benefit for pregnant and postpartum women covered by Medicaid. The workgroup shall include representatives from the Department of Medical Assistance Services, the Virginia Department of Health, and the Department of Health Professions, as well as representatives from community doula practitioners and any other relevant stakeholders. The workgroup shall examine and report on (i) federal requirements and permissibility associated with providing a Medicaid community doula benefit and existing models for state implementation; (ii) a recommended approach for ensuring minimum qualifications and training among community doula practitioners; (iii) recommended reimbursement rates and types of community doula services to be covered; and (iv) estimated costs and potential savings to the state over the next six years. The workgroup's recommendations shall address certification, workforce assessment, appropriate data and reporting needs, contracting considerations, and project implementation planning. As part of its review, the workgroup shall conduct a rate study to determine appropriate reimbursement rates for certified doula services for pregnant persons, and shall report its rate study findings to the Chairmen of the Senate Education and Health and House Welfare and Institutions
Committee Approved Amendments to House Bill 30, as Introduced

Committees by September 1, 2020. The workgroup shall report interim-findings and progress to the Governor and to the Chairmen of the House Appropriations and Senate Finance and Appropriations Committees by December 31, 2020. The workgroup shall issue completed findings and recommendations to the Governor and to the Chairs of the House Appropriations and Senate Finance and Appropriations Committees by June 30, 2021."

Explanation:
(This amendment adds language carrying forward a workgroup to be established in FY 2020 to review and make recommendation regarding a community doula benefit for pregnant and postpartum women covered by Medicaid. The work group will be convened by the Secretary of Health and Human Resources and shall conduct a rate study due by September 1, 2020 and report interim findings by December 31, 2020. A report on findings and recommendations is due the the Governor and Chairs of the House Appropriations and Senate Finance and Appropriations Committees by June 30, 2021.)

Page 285, after line 38, insert:
“Authority: §§ 32.1-11 through 32.1-12, 32.1-31, 32.1-163 through 32.1-176, 32.1-198 through 32.1-211, 32.1-246, and 35.1-1 through 35.1-26, Code of Virginia; Title V of the U.S. Social Security Act; and Title X of the U.S. Public Health Service Act.

A.1. Notwithstanding § 32.1-163 through § 32.1-176, Code of Virginia, the State Health Commissioner shall charge a fee of no more than $425.00, for a construction permit for on-site sewage systems designed for less than 1,000 gallons per day, and alternative discharging systems not supported with certified work from an onsite soil evaluator or a professional engineer working in consultation with an onsite soil evaluator.

2. Notwithstanding § 32.1-163 through § 32.1-176, Code of Virginia, the State Health Commissioner shall charge a fee of no more than $350.00, for the certification letter for less than 1,000 gallons per day not supported with certified work from an onsite soil evaluator or a professional engineer working in consultation with an onsite soil evaluator.

3. Notwithstanding § 32.1-163 through § 32.1-176, Code of Virginia, the State Health Commissioner shall charge a fee of no more than $225.00, for a construction permit for an onsite sewage system designed for less than 1,000 gallons per day when the application is supported with certified work from a licensed onsite soil evaluator.

4. Notwithstanding § 32.1-163 through § 32.1-176, Code of Virginia, the State Health Commissioner shall charge a fee of no more than $320.00, for the certification letter for less than 1,000 gallons per day supported with certified work from an onsite soil evaluator or a professional engineer working in consultation with an onsite soil evaluator.

5. Notwithstanding § 32.1-163 through § 32.1-176, Code of Virginia, the State Health Commissioner shall charge a fee of no more than $300.00, for a construction permit for a private well.

6. Notwithstanding § 32.1-163 through § 32.1-176, Code of Virginia, the State Health Commissioner shall charge a fee of no more than $1,400.00, for a construction permit or certification letter designed for more than 1,000 gallons per day.

7. Notwithstanding § 32.1-163 through § 32.1-176, Code of Virginia, and starting July 1, 2019, the State Health Commissioner shall charge a fee of $425.00, for a permit to repair an onsite sewage system or an alternative discharging system designed for less than 1,000 gallons per day.
Committee Approved Amendments to House Bill 30, as Introduced

not supported with certified work from an onsite soil evaluator or a professional engineer working in consultation with an onsite soil evaluator. This fee shall be waived for persons with income below 200 percent of the federal poverty guidelines as established by the United States Department of Health and Human Services when the application is for a pit privy or for a repair of a failing onsite or alternative discharging sewage system.

8. Notwithstanding § 32.1-163 through § 32.1-176, Code of Virginia, and starting July 1, 2019, the State Health Commissioner shall charge a fee of $225.00, for a permit to repair or voluntarily upgrade an onsite sewage system or alternative discharging system designed for less than 1,000 gallons per day supported with certified work from an onsite soil evaluator or a professional engineer. This fee shall be waived for persons with income below 200 percent of the federal poverty guidelines as established by the United States Department of Health and Human Services when the application is for a pit privy or for a repair of a failing onsite or alternative discharging sewage system.

9. Notwithstanding § 32.1-163 through § 32.1-176, Code of Virginia, and starting July 1, 2019, the State Health Commissioner shall charge a fee of $150.00, to provide written authorizations pursuant to § 32.1-165 not supported with certified work from a qualified professional.

10. Notwithstanding § 32.1-163 through § 32.1-176, Code of Virginia, and starting July 1, 2019, the State Health Commissioner shall charge a fee of $100.00, to provide written authorizations pursuant to § 32.1-165 supported with certified work from a qualified professional.

11. Notwithstanding § 32.1-163 through § 32.1-176, Code of Virginia, and starting July 1, 2019, the State Health Commissioner shall charge a fee of $1,400.00, for a permit to repair or voluntarily upgrade an onsite sewage system designed for more than 1,000 gallons per day.

12. A. The State Health Commissioner shall appoint two manufacturers to the Advisory Committee on Sewage Handling and Disposal, representing one system installer and the Association of Onsite Soil Engineers.

B. The State Health Commissioner is authorized to develop, in consultation with the regulated entities, a hotel, campground, and summer camp plan and specification review fee, not to exceed $40.00, a restaurant plan and specification review fee, not to exceed $40.00, an annual hotel, campground, and summer camp permit renewal fee, not to exceed $40.00, and an annual restaurant permit renewal fee, not to exceed $40.00 to be collected from all establishments, except K-12 public schools, that are subject to inspection by the Department of Health pursuant to §§ 35.1-13, 35.1-14, 35.1-16, and 35.1-17, Code of Virginia. However, any such establishment that is subject to any health permit fee, application fee, inspection fee, risk assessment fee or similar fee imposed by any locality as of January 1, 2002, shall be subject to this annual permit renewal fee only to the extent that the Department of Health fee and the locally imposed fee, when combined, do not exceed the fee amount listed in this paragraph. This fee structure shall be subject to the approval of the Secretary of Health and Human Resources.

C. Pursuant to the Department of Health's Policy Implementation Manual (#07-01), individuals who participate in a local festival, fair, or other community event where food is sold, shall be
exempt from the annual temporary food establishment permit fee of $40.00 provided the event is held only one time each calendar year and the event takes place within the locality where the individual resides.

D. The State Health Commissioner shall work with public and private dental providers to develop options for delivering dental services in underserved areas, including the use of public-private partnerships in the development and staffing of facilities, the use of dental hygiene and dental students to expand services and enhance learning experiences, and the availability of reimbursement mechanisms and other public and private resources to expand services.

E.1. Out of this appropriation, $2,000,000 the first year and $2,000,000 the second year from the Temporary Assistance for Needy Families (TANF) block grant shall be provided for the purpose of extending the two-year pilot program to expand access to long acting reversible contraceptives (LARC). The Virginia Department of Health shall establish and manage memorandums of understanding with qualified health care providers who will provide access to LARCs to patients whose income is below 250% of the federal poverty level, the Title X family planning program income eligibility requirement. Providers shall be reimbursed for the insertion and removal of LARCs at Medicaid rates. As part of the pilot program, the department, in cooperation with the Department of Medical Assistance Services and stakeholders, shall develop a plan to improve awareness and utilization of the Plan First program and include outreach efforts to refer women who have a diagnosis of substance use disorder and who seek family planning services to the Plan First program or participating providers in the pilot program.

2. The Virginia Department of Health shall develop metrics to measure the effectiveness of the extended pilot project such as impacts on birth spacing, decreases in maternal and infant mortality rates, reduction in abortions and unplanned pregnancies, and improved birth outcomes. The department shall submit a progress report to the Governor, the Chairs of the House Appropriations and Senate Finance and Appropriations Committees, Secretary of Health and Human Resources, and the Director, Department of Planning and Budget, that describes the program, metrics used to measure results, results to date, actual program expenditures, and projected expenditures by July 1, 2021, with a final report on June 30, 2022.”

**Explanation:**

(This amendment corrects an omission of language that outlines certain existing fees charged by the Department of Health. It also extends the pilot project relating to Long Acting Reversible Contraceptive devices. Adding this language is necessary in order to ensure current fees and policies are continued.)

Committee Approved Amendments to House Bill 30, as Introduced

Language:

Page 285, line 18, strike "$289,713,047" and insert "$289,423,879".
Page 285, after line 38, insert:
“F. Out of this appropriation, $289,168 the second year from the general fund shall be used to support four restricted positions as part of a two-year pilot program in four local health districts to increase their capacity to improve health outcomes. The department shall evaluate the pilot program and make an interim report to the House Appropriations and Senate Finance and Appropriations Committees by June 30, 2022.”

Explanation:

(This amendment reduces funding contained in the introduced budget by $289,169 the first year from the general fund to delay implementation of a pilot program using certified community health workers in four local health districts to improve health outcomes. House Bill 688 requires the Board of Health to adopt regulations setting forth requirements for certified community health workers, effective July 1, 2020. This delay will allow time for the regulations to be implemented so that certified community health workers can be hired for the pilot project beginning July 1, 2021. Language sets out the funding provided for the pilot program beginning in fiscal year 2022. Language also requires the agency to evaluate the pilot program and provide an interim report at the end of the biennium.)

"GGGGG. Effective July 1, 2021, the department shall amend the State Plan for Medical Assistance to increase the direct operating rate under the nursing facility price based reimbursement methodology by 9.5 percent for nursing facilities where at least 80 percent of the
Committee Approved Amendments to House Bill 30, as Introduced

resident population have one or more of the following diagnoses: quadriplegia, traumatic brain injury, multiple sclerosis, paraplegia, or cerebral palsy. In addition, a qualifying facility must have at least 90 percent Medicaid utilization and a case mix index of 1.15 or higher in fiscal year 2014. The department shall have the authority to implement this reimbursement methodology change for rates on or after July 1, 2021, and prior to completion of any regulatory process in order to effect such change."

Explanation:

(This amendment adds funding and language in the second year to change the reimbursement methodology for nursing facilities that provide services to a resident population in which at least 80 percent of the residents have specific chronic and disabling conditions and the facility has at least a 90 percent Medicaid utilization and a case mix index of 1.15 or higher in fiscal year 2021. These conditions tend to occur in a younger population who consequently have a significantly longer stay in a nursing facility than many nursing home residents. Consequently, the costs to serve these individuals is much higher. Currently, only one nursing facility, the Virginia Home, would meet the criteria to qualify for additional funding pursuant to the reimbursement methodology change.)

Effective July 1, 2020, the Department of Medical Assistance Services shall increase the average reimbursement rate for personal care, respite and companionship services provided in waiver programs subject to the Northern Virginia rate differential by four percent and effective July 1, 2021 by two percent. The department shall have the authority to implement these changes effective July 1, 2020 and prior to the completion of any regulatory process undertaken in order to effect such change."

Explanation:

(This amendment provides $5.3 million the first year and $8.7 million the second year from the general fund and matching federal Medicaid funds each year to increase provider rates for personal care, respite care and companionship services provided in Medicaid waiver programs and subject to the Northern Virginia rate differential by four percent in fiscal year 2021 and two percent in fiscal year 2022. Rates for these services in the rest of the state will be increased beginning in fiscal year 2021 pursuant to the minimum wage increases mandated in House Bill 395. However, because there is a higher rate paid for these services in Northern Virginia, the rates will not be impacted by changes in the minimum wage until fiscal year 2024.)

Page 321, after line 18, insert:

"GGGG.1. That the Code of Virginia is amended by adding in Article 1 of Chapter 10 of Title 32.1 a section numbered 32.1-332 as follows:

A. The Department of Medical Assistance Services shall accept from any county, city, or town provider assessment funds that have been collected, pursuant to an ordinance, from inpatient hospitals to make Medicaid supplemental payments pursuant to the State Plan for Medical Assistance Services amendments 11-018 and 11-019. The Department of Medical Assistance Services shall pay such funds into the state treasury to be credited to the Medicaid Supplemental Payment Program Fund established in subsection B.

B. There is hereby created in the state treasury a special nonreverting fund to be known as the Medicaid Supplemental Payment Program Fund, referred to in this section as "the Fund." The Fund shall be established on the books of the Comptroller. All funds accepted by the Department of Medical Assistance Services from any county, city, or town to make Medicaid supplemental payments pursuant to the State Plan for Medical Assistance Services amendments 11-018 and 11-019 shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purpose of"
Committee Approved Amendments to House Bill 30, as Introduced

funding the nonfederal share of the Medicaid supplemental payment programs authorized by the State Plan for Medical Assistance Services amendments 11-018 and 11-019. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Director of the Department of Medical Assistance Services.

C. Medicaid supplemental payments authorized under amendments 11-018 and 11-019 are strictly applicable to the period October 25, 2011 through June 30, 2017 and will necessarily be applied against the private hospital upper payment limit for each state fiscal year therein. No Medicaid supplemental payments authorized under amendments 11-018 and 11-019 may apply to any state fiscal year or any related private hospital upper payment limit beginning July 1, 2017.

D. In the event of any federal disallowance action associated with Medicaid supplemental payments paid to qualifying hospitals by the Department of Medical Assistance Services under the authority of amendments 11-018 and 11-019, hospitals in receipt of the Medicaid supplemental payments in dispute or the hospital health system owner shall return to the Department of Medical Assistance Services all federal funds associated with the Medicaid supplemental payments subject to the disallowance action.

E. The authority of a local government to enact an ordinance to impose an assessment shall be governed by the charter of such local government or pursuant to the Uniform Charters Powers Act.

F. The authority of the Department of Medical Assistance Services to appropriate monies under amendments 11-018 and 11-019 shall only be permitted as authorized in the budget."

Explanation:

(This amendment establishes the Medicaid Supplemental Payment Program Fund and requires the Department of Medical Assistance Services (DMAS) to accept and to pay into the fund, from any county, city, or town provider, assessment funds that have been collected, pursuant to an ordinance, from inpatient hospitals authorized to receive Medicaid supplemental payments pursuant to the State Plan for Medical Assistance Services amendments 11-018 and 11-019.)

"GGGG. The Department of Medical Assistance Services shall have emergency authority to review and amend regulations governing the practice and requirements for peer recovery services for individuals with mental illness and/or substance use disorder. In reviewing the regulations, the department will convene stakeholders to assess the existing barriers to providing the service and assist in the development of emergency regulations. Stakeholders shall include, but not be limited to, the Virginia Peers Speaking UP for Mental Health Recovery (VOCAL), Substance Abuse Addiction Recovery Alliance (SAARA), Virginia Network of Private Providers (VNPP), Mental Health America-Virginia (MHA-V), Virginia Association of Community Services Boards (VACSB), and National Alliance for Mental Illness-Virginia (NAMI-V)."

Explanation:
(This amendment adds language providing authority for the agency to review and amend regulations related to peer recovery services and convene a stakeholder group to look at barriers to providing the services.)

Item 313 #23h

Health and Human Resources

Department of Medical Assistance Services

Language:
Page 294, line 18, strike "$15,939,731,997" and insert "$15,951,731,997".
Page 294, line 18, strike "$17,038,007,934" and insert "$17,050,007,934".
Page 321, after line 18, insert:
"GGGG. The Department of Medical Assistance Services shall amend the State plan for Medical Assistance to implement a supplemental disproportionate share hospital (DSH) payment for Chesapeake Regional Hospital up to its hospital-specific disproportionate share hospital limit (OBRA '93 DSH limit) as determined pursuant to 42 U.S.C. Section 1396r-4. The payment shall be made annually based upon the hospital's disproportionate share limit for the most recent year for which the disproportionate share limit has been calculated subject to the
Committee Approved Amendments to House Bill 30, as Introduced

availability of DSH funds under the federal allotment of such funds to the department. Prior to submitting the State Plan Amendment, Chesapeake Regional Hospital shall enter into an agreement with the Department to transfer the non-federal share of the supplemental DSH payment. Payment of the supplemental DSH payment is contingent upon receipt of intergovernmental transfer of funds or certified public expenditures from Chesapeake Regional Hospital. In the event that Chesapeake Regional Hospital is ineligible to transfer or certify necessary funds pursuant to federal law, the department may amend the State plan for Medical Assistance to terminate the supplemental DSH payment program. The department shall have the authority to implement these reimbursement changes consistent with effective date(s) approved by the Centers for Medicare and Medicaid Services (CMS). No payments shall be made without CMS approval. In the event, that CMS recoups supplemental DSH hospital funds from the department, Chesapeake Regional shall reimburse such funds to the department."

**Explanation:**

(This amendment adds language directing the agency to implement a supplemental disproportionate share hospital (DSH) payment for Chesapeake Regional Hospital. The hospital would be responsible to transfer the non-federal share of the funding to the agency in order to draw down the federal matching Medicaid funds.)

"CC. The Department of Medical Assistance Services shall set the statewide rate ceiling for Virginia-based residential psychiatric facilities to the statewide day-weighted median cost per day based on the psychiatric residential treatment facility cost report date for provider fiscal years ending in state fiscal year 2018. The department shall have the authority to implement these changes effective July 1, 2020 and prior to the completion of any regulatory process undertaken in order to effect such change."

**Explanation:**

(This amendment provides $7.8 million from the general fund each year and a like amount of matching federal Medicaid funds to increase rates for Medicaid reimbursed psychiatric residential treatment facilities based on recent cost report data. Language requires the statewide ceiling be revised to the statewide day-weighted median cost per day. This will result in
increase in the statewide per diem ceiling of about 8.3 percent for most facilities.)

Page 321, after line 18, insert: "GGGG. Effective July 1, 2020, the Department of Medical Assistance Services shall amend the State Plan for Medical Assistance to increase the practitioner rates for anesthesiology services to reflect the equivalent of 70 percent of the 2018 Medicare rates. The department shall ensure through its contracts with managed care organizations that the rate increase is reflected in their rates to providers. The department shall have the authority to implement these reimbursement changes prior to the completion of the regulatory process."

Explanation:
(This amendment provides $250,000 from the general fund each year and matching federal Medicaid funds to increase Medicaid reimbursement for anesthesiologists to 70 percent of the equivalent 2018 Medicare rate in the fee for service and managed care programs. The intent of the 2019 General Assembly was to increase Medicaid reimbursement to 70 percent of the equivalent 2018 Medicare rate to physicians who were reimbursed less than 70 percent of Medicare rates. The anesthesiologists qualified for this increase but were inadvertently left out of the budget language. This amendment will correct that and bring them up to 70 percent of the 2018 Medicare rate.)

Page 294, line 18, strike "$17,038,007,934" and insert "$17,137,283,594".

**Explanation:**

(This amendment adds funding in the Department of Medical Assistance Services to cover the fiscal impact of House Bill 395 which increases the minimum wage from its current federally mandated level of $7.25 per hour to $10.00 per hour effective July 1, 2020; to $11.25 per hour effective July 1, 2021; to $12 per hour effective July 1, 2022; to $13.00 per hour effective July 1, 2023; to $14.00 per hour effective July 1, 2024; and to $15.00 per hour effective July 1, 2025, unless a higher minimum wage is required by the federal Fair Labor Standards Act. The funding would cover the impact on DMAS for mandated community-based personal, respite and companion care services provided to individuals through a number of Medicaid waiver programs, including the Developmental Disability Waiver programs, and the Early and Periodic Screening, Diagnostic and Treatment (EPSDT) program, and has a small second year impact on in-home residential services provided through the Developmental Disability Waiver programs.)

Explanation:

(This amendment modifies language in the introduced budget related to funding for additional capacity for children's acute inpatient care in the community, who would otherwise be admitted to the Commonwealth Center for Children and Adolescents. It eliminates language authorizing the Department of Behavioral Health and Developmental Services from opening up 20 new beds at an existing state facility if community options are not identified by September 1, 2020.)
Committee Approved Amendments to House Bill 30, as Introduced

Item 326 #1h

Page 341, after line 37, insert:
"D.1. It is the intent of the General Assembly that funding in Items 323 through 328 shall not be used to operate an additional 28 beds above the number of operational beds on June 30, 2020 at Catawba Hospital during the 2020-22 biennium. The Department of Behavioral Health and Developmental Services (DBHDS) may use such funding to pursue alternative in-patient options to include (i) alternative private inpatient settings for individuals who would otherwise be admitted to a DBHDS hospital and (ii) nursing homes or other specialized settings providing appropriate levels of care upon discharge for said individuals. Amounts authorized here in Items 323-328 can be used to support these public-private partnerships, to include contracts with private entities. The department shall notify the Governor and the Chairmen of the House Appropriations and Senate Finance committees prior to signing any contract or entering into such an agreement."

Explanation:

(This amendment adds language prohibiting the Department of Behavioral Health and Developmental Services (DBHDS) to operate an additional 28 beds at Catawba Hospital during the 2020-22 biennium. Language provides the Department with the flexibility to use such funding estimated at $4.2 million GF the first year and $5.2 million GF the second year to pursue alternatives to state institutional care through public-private partnerships. The department is required to notify the Governor and the Chairs of the House Appropriations and
Committee Approved Amendments to House Bill 30, as Introduced

"I. Out of this appropriation, $2,150,048 from the general fund and $2,175,528 from nongeneral funds each year shall be provided for a pay band minimum increase in fiscal year 2021 of 20 percent for the family services positions and a 15 percent increase for benefit program services and self sufficiency services positions and administration positions that are currently below the new minimum threshold.

J. Out of this appropriation, $3,442,659 from the general fund and $3,483,457 from nongeneral funds each year shall be provided for a salary adjustment the first year of 1.5 percent for all local department of social services positions to address issues related to salary compression."

Explanation:

(This amendment reduces funding for a 3% across the board salary adjustment for local department of social services (LDSS) contained in the introduced budget. It retains funding of $3.4 million from the general fund (GF) and $3.5 million from nongeneral funds (NGF) each year for a 1.5 percent salary adjustment the first year to address salary compression issues. Language sets out funding included to increase minimum salary levels for LDSS family services workers, eligibility workers and a certain administrative positions, as well as the increase to address salary compression. A companion amendment in Central Accounts provides for a salary increase for state supported local staff in FY 2021 and FY 2022.)

Page 360, after line 36, insert:

"Q. The Department of Social Services shall create an emergency approval process for kinship caregivers and develop foster home certification standards for kinship caregivers using as a guide the Model Family Foster Home Licensing Standards developed by the American Bar Association Center on Children and the Law, the Annie E. Casey Foundation, Generations United, and the National Association for Regulatory Administration. The adopted standards should align, as much as reasonably possible, to the Model Family Foster Home Licensing Standards, and should ensure that children in foster care (i) live in safe and appropriate homes under local department of social services and court oversight; (ii) receive monthly financial assistance and supportive services to help meet their needs; and (iii) can access the permanency options offered by Virginia's Kinship Guardianship Assistance Program."

**Explanation:**

(This amendment adds $75,000 each year from the general fund for the Department of Social Services to implement an emergency approval process for kinship caregivers and the development of foster home certification standards for kinship caregivers. Any new approval process created will encompass the same safety standards that non-relative foster homes must comply with when getting approved as a foster home. This will help Virginia align it's foster care approval process to the federal Family First Prevention Services Act legislation that directs states to use prevention dollars and keep children with kin rather than enter non-relative foster care. This is a recommendation of the Commission on Youth.)
